NOTES:

17 months, excellent type, above medium size bitch
 With nice head, very nice expression, lovely dark eye, strong muzzle, corr. Bite,
 Good reach of neck, enough forechest, excellent rib cage, I would like to see a fraction more
 bone in comparison to body, feet could be more roundish, excellent coat, jet black, with
 good markings, nice bushy tail, lovely temperament,
 Could do with a little bit biggest step, covering just enough ground, nice type
